

## CFO Compact Fibreglass Omni Antenna

The CFO antenna is a compact 5G multi-band omni-directional antenna designed for outdoor deployments. Housed in a robust fibreglass sheath, the CFO antenna offers a reliable performance across the frequency bands. Ideal to complement 5G routers and access applications, the CFO is supplied with a wall-mount bracket as standard.

### Applications

- ▶ 5G/4G Routers
- ▶ Access Applications
- ▶ Security Systems
- ▶ Gateways
- ▶ 5G/4G Broadband Access

### Key Features

- ▶ Compact Outdoor Antenna
- ▶ Covering 5G/4G/LTE Frequencies
- ▶ Omni-Directional
- ▶ Wall-Mount

## ELECTRICAL SPECIFICATIONS

Frequency Range	Peak Gain	VSWR	Input Power	Impedance	Polarization
617-960/1452-1575/ 1710-2690 / 3300-7125 MHz	Lower 2 Bands: 2 dBi Upper 2 Bands: 3 dBi	<3.0:1	10w	50 Ohm	Linear

## MECHANICAL SPECIFICATIONS

Dimensions	Cable Type	Connector	Sheath Material	IP-Rating	Mounting
145 x 26mm (hxd excluding bracket)	None	N-Female	Fibreglass	IP67	Wall
